Carrie's Heart Walk-N'-Roll a success

By: Amber Sarhan

Carrie's Heart, a non-profit organization benefiting children with disabilities, recently hosted Walk-N'-Roll at the Katy Mills Mall where participants walked around the entire mall one time.

"It was better than we expected," Carrie Conn, founder of the organization, said about the turnout.

The event raised more than \$8,000 with proceeds benefiting the Be An Angel Playground, which is set to break ground March 27.

For more information about Carrie's Heart, visit the website at www.carriesheart.org.
